Dear Colonel Kloeber:

Thank you for your donation of the framed painting print of Full Victory, Nothing Else which depicts General Eisenhower talking with the 101st Airborne on June 5, 1944. The print has already been hung over the mantel in our headquarters conference room. We also appreciate the donation of your book, Victory Principles, which will be added to our site library. Good luck with the sale of the prints to support the overseas military monuments commemorating our World War II soldiers.

Sincerely,

Carol A. Hegeman
